**HIGH SCHOOL AVIATION
STEM SYMPOSIUM**

THE SYMPOSIUM EXPERIENCE: **REAL IMPACT, REAL SUCCESS**

TAMI ROWLAND
STUCO Advisor

Pryor Public Schools
Pryor, Oklahoma

Attending the AOPA Foundation High School Aviation STEM Symposium is one of the highlights of the year!

I have attended for three years now and have learned something new each time. My students were much more interested in what I saw than they were in some of the lectures.

The other great benefit of attending these symposiums is making connections with other AOPA teachers from around the country. We shared things that worked and how we worked around some of the more difficult lessons.

The AOPA Symposium will continue to be of high priority for our Aviation team to attend each year.
